Public Notice

Re: Meeting of the California Maritime Security Council (CMSC), October 20, 2009

Notice to the Public:

The mission of the CA Maritime Security Council (CMSC) is to act as an advisory body to the Governor in matters related to Maritime Security as follows:

- Identifying areas where port partners can improve statewide collaboration and information sharing to identify potential threats;
- Identifying areas where institutionalized coordination through codified processes will enhance security, emergency response procedures, communications, coordinating contingency planning, and other areas of mutual responsibility across the State of California;
- Developing a statewide maritime security strategy;
- Preparing plans to quickly recover from a catastrophic event at a California port;
- Developing a strategy to enhance the baseline levels of preparedness that will increase the amount of homeland security funding California receives from the United States Department of Homeland Security;
- Identify the enhancement and implementation strategies necessary for the execution of security systems;
- Develop a strategy for recovery and continuity of operations;
- Develop a strategy for enhancement of the goods movement supply chain expanding beyond the ports;
- The CMSC shall submit a report of activities and recommendations to the Governor and the Legislature not later than November 1, annually.

The next meeting of the CMSC is scheduled as follows:
